Instrument inserts MultiTip

The perfect combination of cost-effectiveness and sustainability

PAJUNK® is the right choice for anyone who wishes to avoid the amount of waste from disposable inserts but who still wants a cost-effective alternative to reusable inserts. With MultiTip PAJUNK® offers a cost-effective solution, which can be reprocessed for five additional uses. The corresponding jaw inserts are delivered sterile for immediate use.

- ➔ Secure connection system
- ➔ Instrument change in the OR
- ➔ No regrinding
- ➔ Cost-effective and environmentally friendly
